246th
Volks-
Pioneer
Battalion

246th
Volks-
Flak
Battalion

246th
Fusilier
Battalion

The 246th Volksgrenadier Division had been heavily engaged in the fighting in the Hurtgen Forest in November and reduced to little more than a battalion in strength. The division was rebuilt with Luftwaffe personnel for the Ardennes Campaign but saw little action, not being committed until December 28 and then used mostly in reserve.
